**FOR IMMEDIATE RELEASE**

**DATE: November 22, 2010**  
**SUBJECT: Warfel Construction honored by Associated Builders and Contractors Eastern PA Chapter**

Warfel Construction Company recently received **four** awards from the Eastern Pennsylvania Chapter of the Associated Builders and Contractors at its 20<sup>th</sup> Annual Merit Construction Awards of Excellence dinner. The event recognizes contractors who perform work throughout the Delaware Valley and surrounding areas.

Warfel received the first place Award of Excellence in the Restoration/Renovation, Under \$2 million category for the St. Andrew's Episcopal Church project in Glenmoore, PA. The church, virtually untouched since it was originally constructed in 1833, was expanded and renovated by Warfel. The \$1.2 million project included a new addition, matching the historical façade and interior finishes of the existing building, as well as upgrading the systems throughout.

Warfel also received three additional Awards of Merit for the following projects; the \$28 million Phoebe Berks Village Expansion and Renovation in Wernersville, PA, the \$6 million Frank Theatres 13 screen cinema at the Queensgate Towne Center in York, PA, and the \$1 million Moores Memorial Library Renovation in Christiana, PA.

Generating revenues in excess of \$85 million, Warfel Construction Company provides general construction, construction management and design/build services to clients in Pennsylvania and surrounding states. In business since 1911, Warfel employs over 100 people in field and office positions.
