

**DATE: May 5, 2011**

**SUBJECT: Vice President of Estimating Hired by Warfel Construction**

Warfel Construction Company is pleased to announce that **Michael Kreider** recently joined the firm as Vice President of Estimating. Kreider oversees all aspects of the firm's estimating department and preconstruction services. A Lancaster resident, he attended Thaddeus Stevens College and is a graduate of the Associated Builders and Contractors Apprentice Program. He is a member of the ASPE (American Society of Professional Estimators) and is ASHE (American Society of Healthcare Engineering) certified. Prior to joining Warfel, he served as Vice President of Estimating for Benchmark Construction. Kreider is a Central Market Trust Board member and Chairman of the Central Market Facilities Committee.

Celebrating its 100<sup>th</sup> anniversary in 2011, Warfel Construction Company provides general construction, construction management, and design/build services to clients throughout Pennsylvania and the surrounding states.
