**SUBJECT: Warfel Construction Company Recognized for Safety**

**East Petersburg, PA, November 5, 2010:** Warfel Construction Company was recently awarded the 2010 General Contractor Safety Award by the MidAtlanticBX, a trade association that provides a wide variety of services specific to the construction industry. The award was presented at the Celebration of Excellence Gala on October 29<sup>th</sup> at the Radisson Penn Harris Hotel.

The safety award competition evaluated 2009 safety records, including total work hours, OSHA recordable injuries, lost work day cases and lost work days. Warfel demonstrated a strong commitment to creating and maintaining a safety culture and ethic that is supported and practiced by employees.

Generating revenues in excess of \$80 million, Warfel Construction Company provides general construction, construction management and design/build services throughout the mid-Atlantic region. A certified GreenPlus contractor, Warfel employs nearly 100 people in field and office positions.
