

Warfel Construction is currently looking for a **Concrete Finisher**. The Concrete Finisher role reports to our Concrete Superintendent, in addition to our Special Projects Manager. This position requires strict adherence to all Warfel safety rules and regulations, including any site-specific necessities.

Standard work hours are M – F, beginning at 7:00 AM through 3:30 PM with a 30-minute lunch. Occasional Saturday work and overtime may be required. Travel to and from the jobsite varies; reliable transportation is required. This position does require the ability to work in ever-changing work environments, including variable weather conditions.

Job responsibilities include, but are not limited to, the following:

- Ability to expertly pour, level, and smooth concrete on a variety of surfaces including roads, sidewalks, curbs, and floors.
- Setting the forms that hold the concrete in place, patch existing surfaces, cut expansion joints, and monitor the curing of the concrete to ensure a high-quality finish.
- Cleaning and inspecting surfaces for pouring issues
- Directing the casting of the concrete with the truck driver
- Pouring, smoothing, and leveling concrete using a rake, trowel, float, and screed. This includes handheld tools and power tool versions.
- Monitoring the effects of the weather on the curing process.
- Applying sealing and hardening components
- Safely operating power vibrator to ensure concrete is compacted
- Molding and constructing expansion joints using joiners and edging tools
- Polishing surface using a power surfacing machine
- Waterproofing, damp-proofing, and restoring concrete surfaces
- Installing anchor bolts, steel plates, and other fixtures in freshly poured concrete
- Needs to have a commitment to safety and keeping work area neat and clean.
- Help keep the jobsites clean by sweeping compound, HEPA vac., and brooms

QUALIFICATIONS:

- High school or equivalent, technical school or college experience
- Minimum of 2 years' work experience as a concrete laborer or mason.
- Knowledge of hand-held and power tools including power vibrators, polishers, cutting saws, and edging tools.

- Excellent communication, organization and people skills, with proven success working in team environments
- Must be able to work with limited supervision

PHYSICAL REQUIREMENTS:

- Ability to stand for long periods of time
- Ability to lift heavy materials. Frequency will vary based on work at the time. Equipment may be available for assistance.
- Ability to kneel for long periods of time.
- Position may require frequent walking throughout the jobsite.
- Working at heights will vary, as well as working with various pieces of equipment that will provide protection at such heights; scaffolds, aerial man lifts, and personal fall protection.

Competitive pay and benefits offered. Warfel Construction Company is an equal opportunity employer.
