

Warfel Construction Company is currently looking for an experienced **Construction Carpenter** to join our team! The Construction Carpenter role reports directly to the jobsite Foreman or Superintendent and requires strict adherence to all Warfel safety rules and regulations, including any site-specific necessities.

Standard work hours are M – F, beginning at 7:00 AM through 3:30 PM with a 30-minute lunch. Occasional Saturday work and overtime may be required. Travel to and from the jobsite varies; reliable transportation is required.

Job responsibilities include, but are not limited to, the following:

- Fit and install prefabricated window frames, doors, HM door frames (knock down and welded), weather stripping, interior and exterior trim, and finish hardware.
- Install, align, imbed miscellaneous metal and specialty items, such as handrails, bearing plates, lintels, fire extinguishers, bathroom accessories, and various other tasks.
- Erect scaffolding and ladders for work on structures above ground level.
- Use of appropriate hand tools. Building layout, wood & metal framing, layout and installation of blocking, installing cabinets, and trim and casing.
- Perform a variety of tasks involving dexterous use of hands and tools, such as selective demo, sawing lumber, dismantling forms, removing projections from concrete, and cut and attach insulating material.
- Will be required to assist other carpenters or Warfel employees in the performance of their duties.
- May be required to operate hand and power tools as well as operate company equipment and vehicles.
- Ability to supply basic tools required for the position (such as tool box, hammer, nail bag, etc). A full list will be provided during interviews.
- Needs to have a commitment to safety and keeping work area neat and clean.

QUALIFICATIONS:

- High school or equivalent, technical school or college experience
- Ability to use and read a tape measure with precise standards and accuracy
- Understanding of prints, sketches, blueprints, building plans with minimal instruction for performing layout, framing, and assembly

- Completion of an Apprenticeship Program in the carpentry trade, or equivalent experience / knowledge
- Excellent communication, organization and people skills, with proven success working in team environments
- Must be able to work with limited supervision

PHYSICAL REQUIREMENTS:

- **Standing:** Approximately 95% of your time
- **Sitting:** Approximately 5% of your time
- **Walking:** Frequent walking required as you change positions & locations
- **Lifting:** Lift & Carry materials weighing no more than 50 lbs. Frequency varies based on work at the time. Equipment is available for assistance.
- **Pushing:** Push materials weighing no more than 50 lbs. Frequency varies based on work at the time. Equipment is available for assistance.
- **Pulling:** Pull materials weighing no more than 50 lbs. Frequency varies based on work at the time. Equipment is available for assistance.
- **Climbing:** Climbing up and down ladders, scaffolds, and other objects in multi-story buildings while carrying tools & equipment may occur.
- **Bending:** Bend, kneel, crouch, and crawl as appropriate.
- **Heights:** Working at heights will vary, as well as working with various pieces of equipment that will provide protection at such heights; scaffolds, aerial man lifts, and personal fall protection.

Competitive pay and benefits offered. Warfel Construction Company is an equal opportunity employer.
